

WEEE Collection and Recycling Arrangements in Cyprus

Nutanix products are sold in Cyprus by dealers and distributors. The dealers and distributors act as the importer of the equipment into Cyprus. Thus, the dealers and distributors have the legal responsibility to:

- Register as the WEEE producer in Cyprus.
- Provide arrangements for collection and recycling of WEEE arising from Nutanix products that the dealer and distributor sells in Cyprus.

Please contact the Nutanix office in the United States for information on WEEE compliance arrangements in place in Cyprus:
