

WEEE Collection and Recycling Arrangements in Latvia

Nutanix products are sold in Latvia by dealers and distributors. The dealers and distributors act as the importer of the equipment into Latvia. Thus, the dealers and distributors have the legal responsibility to:

- Register as the WEEE producer in Latvia.
- Provide arrangements for collection and recycling of WEEE arising from Nutanix products that the dealer and distributor sells in Latvia.

Please contact the Nutanix office in the United States to identify dealers and distributors in Latvia:
