

Nutanix Certified Professional: How to Register

The new NCP 5.5 exam is now delivered in a remotely proctored environment to add security and help ensure the seriousness, authenticity, and credibility of your NCP certification.

Registering for the NCP 5.5 Exam

1. Request a Proctortrack account from education@nutanix.com
2. Complete the Proctortrack [onboarding quiz](#)
After your account is created, you'll need to establish your identity with an ID check and facial scan. You'll also accept the exam guidelines at this point.
3. Wait for the Verification Email
Review and completion of the onboarding process usually happens within 48 hours. This is a great time for a final review of the exam blueprint guide.
4. Once you're verified, [log into Proctortrack](#) and complete the NCP 5.5 exam
You will receive the results of your exam within 24 hours. You can [log into your account](#) and download your certificate at that point.
5. Celebrate!

We're excited to give Nutanix Customers access to the new Nutanix Certified Professional (NCP) 5.5 certification exam.

After you've reviewed the [exam blueprint guide](#), follow the steps to the left to register for your exam.
